EXPLANATORY STATEMENT TO SPECIAL BUSINESS

(Pursuant to Section 102 of the Companies Act, 2013)

Item No. 1

The Board of Directors of the Company at its meeting held on May 29, 2023 (“**Board Meeting**”) has, subject to the approval of the shareholders of the Company by way of special resolution through e-voting and subject to such approvals of statutory, regulatory or governmental authorities as may be required under applicable laws, approved buyback of fully paid-up Equity Shares of the Company of face value of Rs. 10/- (Rupees Ten only) each (“**Equity Shares**”) up to 7,00,000/- (Seven Lakhs Only) Equity Shares on a proportionate basis through the tender offer route under the Stock Exchange mechanism in accordance with the Companies Act, 2013 (“**the Act**”) as amended, the Companies (Share Capital and Debentures) Rules, 2014, the Companies (Management and Administration) Rules 2014 (“**Rules**”), to the extent applicable, the Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (“**SEBI Buyback Regulations**”), as amended from time to time, read with Securities and Exchange Board of India Circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 read with Circular CFD/DCR2/CIR/P/2016/131 dated December 9, 2016 and SEBI Circular SEBI/HO/CFD/DCR-III/CIR/P/2021/615 dated August 13, 2021 as amended from time to time, (“**SEBI Circular**”), including any amendments or statutory modifications for the time being in force, (“**SEBI Circular**”), at a price of Rs 250/- (Rupees Two Hundred and Fifty Only) per Equity Share (the “**Buyback Offer Price**”) payable in cash for an aggregate consideration not exceeding Rs. 17,50,00,000/- (Rupees Seventeen Crores Fifty Lakhs only) (“**Buyback Offer Size**”) (excluding Company’s expenses incurred or to be incurred for the Buyback like filing fees payable to the Securities and Exchange Board of India (“**SEBI**”), advisors/legal fees, transaction costs such as brokerage, securities transaction tax, buyback tax, goods and service tax (GST), stamp duty, public announcement, publication expenses, printing and dispatch expenses and other incidental and related expenses, etc. (“**Transaction Cost**”). The Buyback shall be within 25% of the aggregate of paid-up capital and free reserves of the Company as per the audited financial statements of the Company as on March 31, 2023 (the latest audited balance sheet available as on the date of Board Meeting recommending the proposal of the Buyback). The Buyback Offer Size of the Buyback constitutes 24.61% of the aggregate of the paid-up equity share capital and free reserves of the Company as per audited financial statements and the number of shares proposed to be bought back represents 15.91% of the total issued and paid-up equity share capital of the Company.

Since the Buyback constitutes more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2) (b) of the Act, it is necessary to obtain the consent of the shareholders of the Company, for the Buyback by way of a special resolution. Further, as per Section 110 of the Act read with Rule 22(16)(g) of the Rules, the consent of the shareholders of the Company to the Buyback can be obtained by means of postal ballot. Pursuant to the afore mentioned MCA Circulars, the Company is seeking your consent for the aforesaid proposal as contained in the resolution appended to this Postal Ballot Notice through postal ballot by remote e-voting process (“e- voting”). Certain figures contained in this Notice, including financial information, have been subject to rounding-off adjustments. All decimals have been rounded off to two decimal points. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row.

Requisite details and material information relating to the Buyback are given below:

(a) Date of the Board meeting at which the proposal for buyback was approved by the Board of Directors of the Company: May 29, 2023

(b) Necessity for the Buyback:

Share buyback is the acquisition by a company of its own shares. The Board is of the view that the proposed Buyback will help the Company achieve the following objectives (a) Optimize returns to shareholders; (b) Enhance overall shareholders value and (c) Optimizes the capital structure. The above objectives will be achieved by returning part of surplus cash back to shareholders through the Buyback process. This may lead to reduction in outstanding Equity Shares, improvement in earnings per Equity Share and enhanced return on invested capital. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Board at its meeting held on May 29, 2023, considered the accumulated free reserves as well as the cash liquidity reflected in the audited financial statements as on March 31, 2023 and considering these, the Board decided to allocate a sum of Rs 17,50,00,000/- (Rupees Seventeen Crores Fifty Lakhs only) excluding the Transaction Costs for distributing to the shareholders holding Equity Shares of the Company through the Buyback.

After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback at a price of Rs 250/- (Rupees Two Hundred and Fifty Only) per Equity Share for an aggregate consideration of Rs. 17,50,00,000/- (Rupees Seventeen Crores Fifty Lakhs only). Buyback is being undertaken, inter-alia, for the following reasons:

- (i) The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of shares as per their entitlement or 15% of the number of shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder” as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- (iii) The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value;
- (iv) The Buyback gives an option to the Shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

(c) Maximum number of securities that the Company proposes to buyback:

The Company proposes to buyback up to 7,00,000 (Seven Lakhs Only) fully paid-up Equity Shares of face value of Rs. 10/- (Rupees Ten only) each, representing 15.91% of the number of equity shares in the total paid-up equity capital of the Company.

(d) Maximum price at which the Equity Shares are proposed to be bought back and the basis of arriving at the price of the Buyback:

The Equity Shares of the Company are proposed to be bought back at a price of Rs 250/- (Rupees Two Hundred and Fifty Only) per Equity Share (“**Buyback Offer Price**”). The Buyback Offer Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices of the Equity Shares on the BSE Limited (“**BSE**”) where the Equity Shares are traded, the net worth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per Equity Share. However, the Board and / or Buyback Committee is authorised to determine the specific price, the number of Equity Shares and other related particulars at which the Buyback will be made at the time of the Public Announcement for Buyback to the eligible Members.

The Buyback Offer Price represents:

- (i) Premium of 4.45% of the volume weighted average market price of the Equity Shares on BSE, during the three months preceding the date of intimation to the BSE for the Board Meeting to

consider the proposal of the Buyback.

- (ii) Premium of 4.03% of the volume weighted average market price of the Equity Shares on BSE, for two weeks preceding the date of intimation to the BSE for the Board Meeting to consider the proposal of the Buyback.
- (iii) Premium of 0.95% over the closing price of the Equity Shares on the BSE one day prior to the date of intimation of Buyback.
- (iv) The closing market price of the equity shares as on date of intimation of the date of board meeting for considering the Buyback to the Stock Exchanges: The closing price as on the date of intimation of the date of board meeting for considering the Buyback at the BSE was Rs. 246.95/-

The Company confirms that as required under Section 68(2)(d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company will be not more than twice the paid-up Equity capital and free reserves after the Buyback.

(e) Maximum amount required for Buyback, its percentage of the total paid-up capital and free reserves and source of funds from which Buyback would be financed:

The maximum amount required for Buyback will not exceed 17,50,00,000/- (Rupees Seventeen Crores Fifty Lakhs only) (excluding Transaction Costs) being 24.61% of fully paid-up equity share capital and free reserves, which is not exceeding 25% of the aggregate of the fully paid-up equity share capital and free reserves of the Company as per the audited financial statements of the Company as on March 31, 2023.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company (including securities premium account) or such other source as may be permitted by the SEBI Buyback Regulations or the Companies Act. The funds used will not exceed 25% of the paid-up equity capital and free reserves of the Company as on March 31, 2023. The funds borrowed, if any, from Banks and Financial Institutions will not be used for the Buyback.

The Company shall transfer from its free reserves a sum equal to the nominal value of the Equity Shares so bought back through the Buyback to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited financial statement.

(f) Method to be adopted for the Buyback:

The Buyback shall be on a proportionate basis from all the shareholders holding equity shares of the Company through the "Tender Offer" route, as prescribed under the Buyback Regulations to the extent permissible, and the "Mechanism for acquisition of shares through Stock Exchanges" as prescribed under the SEBI Circular ("SEBI Circular") and in accordance with the Articles of Association and pursuant to the provisions of Companies Act, 2013 and the Share Capital Rules to the extent applicable, and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the "**Record Date**") for determining the names of the shareholders (members) holding equity shares of the Company who will be eligible to participate in the Buyback. Consequent to the approval of the Special Resolution under this Notice, in due course, each shareholder as on the Record Date will receive a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the shareholder for participating in the Buyback.

The equity shares to be bought back as a part of the buyback is divided in two categories:

- (a) Reserved category for small shareholders; and
- (b) General category for all other shareholders.

As defined in Regulation 2(1)(n) of the Buyback Regulations, a "small shareholder" is a shareholder who holds shares or other specified securities having market value, on the basis of closing price on BSE as on Record Date, of not more than Rs. 2,00,000 /- (Rupees Two Lakhs only).

In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”.

Based on the holding as on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. In accordance with explanation to Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same shareholder with multiple demat accounts / folios does not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the equity shares held by such shareholders with a common Permanent Account Number (“PAN”) for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories.

Shareholders’ participation in Buyback will be voluntary. Shareholders holding equity shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Shareholders holding equity shares of the Company may also accept a part of their entitlement. Shareholders holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. The maximum tender under the Buyback by any shareholder cannot exceed the number of equity shares held by the shareholder as on the Record Date.

The equity shares tendered as per the entitlement by Members holding equity shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback is expected to be done using the “Mechanism for acquisition of shares through Stock Exchange” pursuant to Tender-Offers under Takeovers Buy Back and Delisting” notified by SEBI Circulars.

Detailed instructions for participation in the Buyback (tender of equity shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the shareholders holding equity shares of the Company as on the Record Date.

(g) Compliance with Section 68(2)(c) of the Companies Act 2013:

The aggregate paid-up share capital and free reserves as at March 31, 2023 is Rs 7,109.00 Lakhs as per audited financial statements. Under the provisions of the Companies Act, the funds to be deployed for the Buyback cannot exceed 25% of the total paid-up capital and free reserves of the Company i.e. Rs. 1777.25 lakhs. The aggregate amount proposed to be utilized for the Buyback, is approximately 17,50,00,000/- (Rupees Seventeen Crores Fifty Lakhs only) and is, therefore, within the limit of 25% of the Company’s total paid-up equity capital and free reserves as per the audited financial statements as on March 31, 2023 (the last audited financial Statements available as on the date of Board meeting recommending the proposal for the Buyback).

Further, under the Companies Act, the number of equity shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of equity shares that can be bought back in the current financial year is 11,00,000 equity shares. Since the Company proposes to Buy-back up to 7,00,000 equity shares, the same is within the aforesaid 25% limit.

(h) Time Limit for Completion of Buyback:

Pursuant to SEBI Buyback Regulations and the Companies Act, 2013, the buyback is proposed to be completed within 12 months from the date of passing of special resolution detailed in this Postal Ballot Notice.
